## Birthday Parties at Sane

***Enjoy an OUT-OF-THE-BOX birthday party at your premises. Schedule your party now! Pick a project or a theme to celebrate the day! We will create a party project just for your child. SANE makes your child's important day easy, affordable, and most of all, FUN!***

### **What can be included?**

We think your special day should be all about you, and that is why our staff works to create your party project around something that is special to YOU. We will help you put together your custom project, to enjoy your very special birthday party.

Please note that if we are doing the birthday at your premise, the rental of tables and chairs are not included in the prices below. Either the premise will provide the tables or chairs for free, or we will rent tables and chairs from a supplier.

### **What is the minimum number?**

There is a minimum of 15 children per party; maximum will be determined in the meeting. Our minimum to facilitate a party is a selection of 3 games and 3 activities from the below list. A 50% EGP non-refundable deposit is required to reserve your party date and is due at the time of booking. The booking must take place at least two weeks before the date of the birthday. Discounts and promotions may not be applied to birthdays.

# Party Games

## Age 3+ yrs

- **-Hide-and-Seek:** One player closes his eyes for a brief period while the other players hide. The seeker then opens his eyes and tries to find the hiders.
- **-Red light, Green light:** One player is a virtual stoplight when he says (green light). The players have to run towards the target. When he says (red light), they have to freeze, and the first one to reach the target wins.
- **-Treasure hunt:** It is a game in which players search for objects like eggs that contain candies inside. The goal is to find all of the candies as quickly as possible.
- **-Dance freeze:** Everyone dances as the music plays. When the music stops, each player must freeze immediately and hold that position until the music begins again.
- **-Search for the ball in the maze:** Everyone has to search for the ball, which is hidden inside the maze.
- **-Find the candy under the cone:** Everyone has to search for the candy, which is hidden under many cones.
- **-Drill race competition:** Every team has to compete to finish the race first by running fast throw drills and obstacles.
- **-Musical Chairs:** A set of chairs is arranged with one fewer chair than the number of players. While music plays, the contestants walk around the set of chairs. When the music stops, all players have to find their own chair to occupy. The player who fails to sit on a chair is eliminated.
- **-Floor is lava:** When the instructor says (the floor is lava), everyone has to imagine that the floor is molten lava and they have 5 seconds to get over anything high. If they don't, they lose.

Age 6+ yrs

- **Hide-and-Seek**: One player closes his eyes for a brief period while the other players hide. The seeker opens his eyes and tries to find the hiders.
- **Red light, Green light**: One player is a virtual stoplight when he says (green light). The players have to run towards the target. When he says (red light), they have to freeze, and the first one to reach the target wins.
- **Treasure hunt**: It is a game in which players search for objects like eggs that contain candies inside. The goal is to find all of the candies as quickly as possible.
- **Tug of war**: Two teams pull on opposite ends of a rope, with the goal being to bring the rope a certain distance in one direction against the force of the opposing team's pull.
- **Head, Shoulders, Knees and CONE!**: Two kids stand across from each other with a cone directly in between them. Kids put their hands on their heads, shoulders, or knees when they are called. If they hear the instructor say "cone," they need to be the first to grab it.
- **Find the candy under the cone**: Everyone has to search for the candy, which is hidden under many cones.
- **Drill race competition**: Every team has to compete to finish the race first by running fast throw drills and obstacles.
- **Laser game**: The participants will work their way through the maze, trying to reach the other side of the maze by passing through laser obstacles.
- **Dodge the ball**: An instructor will be on each side and they will have a ball in their hand which they will throw at the kids. The kids have to dodge the ball because if the ball hits them, they eliminate.
- **Rock, Paper, Scissors race**: Each time will be on a side and have hula hoops between them. Each time, a child will jump in these hula hoops until they are directly facing each other in the middle. At this point, they will play a rock, paper, scissors game; the winner will continue jumping, and the child who reaches the other side wins.
